# BioFrac F3 Fraction Collection Racks 

Catalog Number 741-0012

## Dear Bio-Rad Customer,

The BioFrac collector is designed to accommodate a variety of rack options. These include off the shelf and custom molded racks.

The BioFrac F3 off-the-shelf racks accommodate $15-16 \mathrm{~mm}$ diameter tubes. Assembly is required. See Table 1 listing for available racks for use with the BioFrac Fraction Collector.

## Unpacking

Remove the contents of the box. Check all of the parts against the following packing information.

| Item |  |  |
| :--- | :---: | :---: |
| Number | Quantity | Contents of Fittings Kit |
| 1 | 2 | F3 Racks , 18-20 mm, 40 tube position |

Please check to insure that you have a complete set of components. In case of missing parts or other problems, contact your local representative, or in the United States, call Customer Service at 1-800-4BIORAD.

## Assembly

A rack is composed of three parts, the base, middle tier, and top tier. To assemble place the base on a flat surface. Bend the long tabs and end plates up (tabs and end plates are used to secure the tiers into position). Next, snap the tabs on the lower tier into the tab holes on the base. Snap the tabs on the top tier into place.

## BioFrac Fraction Collector Placement

Racks F3: Place the Rack Positioning Tray into the base of the fraction collector (deep side faces up). Insert each rack within the tray rack guides. Per the instructions in the BioFrac Fraction Collector Instruction Manual, adjust the fraction collector control module appropriate for the height of the (up to 150 mm heights are accommodated).

Bio-Rad Laboratories, 2000 Alfred Nobel Drive, Hercules, CA 94547 •(510) 741-1000
