

SAFETY DATA SHEET (SDS)**PRODUCT AND SUPPLIER IDENTIFICATION:**

Product Name:	Pathfinder[®] HSV DFA Collection Slides
Product Number:	30494 (90 slides per pack)
Intended Use:	Uncoated, unused, blank slides for use in the Bio-Rad Pathfinder[®] Herpes Simplex Virus Types 1 and 2 Direct Fluorescent Assay (DFA) [product number 25215].
Supplier's Name:	Bio-Rad Laboratories, Inc.
Address:	6565 185th Avenue NE Redmond, WA 98052-5039, USA
Website:	www.bio-rad.com
Phone Number:	1-800-2-BIORAD (1-800-224-6723); or 1-425-881-8300 (daytime PT)
SDS e-mail contact:	ro-sds@bio-rad.com
Authorized Representative in the European Community:	FRANCE: Bio-Rad Laboratories 3 boulevard Raymond Poincaré 92430 Marnes-la-Coquette Phone: +33 (0) 1 47 95 60 00 / Fax: +33 (0) 1 47 41 91 33 [fds-msds.fr@bio-rad.com]
Emergency Phone Number:	Not Applicable to products not considered hazardous per CFR 29 §1910.1200 or EU 2008/1272/EC, refer questions to above daytime numbers.

KIT COMPOSITE HAZARD SUMMARY AND WARNING STATEMENTS:**Pathfinder[®] HSV DFA Collection Slides - Composite hazard ratings:**

Hazard description: This product contains no hazardous constituents, or the concentration of all chemical constituents are below the regulatory threshold limits described by the United Nations (UN) **Globally Harmonized System (GHS)**, the United States Occupational Safety Health Administration **Hazard Communication Standard (HCS)** 29 CFR 1910.1200, the Canada's **Workplace Hazardous Materials Information System (WHMIS)**, **Mexican Standard** (NMX-R-019-SCFI-2011) and applicable European Community (EC) **regulations 2008/1272/EC (etc.)** and directives.

Markings according to the United Nations (UN) Globally Harmonized System (GHS), United States Hazard Communication Standard (HCS) and European Community (EC) 2008/1272/EC guidelines: This product is not subject to labeling classification or identification according to GHS guidelines, *United States Hazard Communication Standard (HCS)* and EU 2008/1272/EC Regulation or other sources of literature known to us.

Markings According to European Guidelines: This product is not subject to EU labeling classification or identification according to EU Directives 1999/45/EC, 2001/59/EC, 2001/60/EC, 2006/102/EC and other sources of literature known to us.

Composite hazard HMIS and/or NFPA ratings: Health: 0 Flammability: 0 Reactivity: 0

California Proposition 65: The product does not contain listed substances.

These Collection Slides consist of ~98% inert glass with a ~2% inert polymer coating, which have not been chemically or biologically processed since manufacture into new glass slides and thus, should not intrinsically pose a chemical or biological hazard as regulated under CFR 29 §1910.1200 (WA WAC 296-800-170). However, because these unprocessed slides are made of glass, they could potentially pose a slight physical cutting hazard, especially if broken or chipped, so handle carefully, wear suitable gloves and/or other appropriate personal protective equipment and follow Good Laboratory Practices. Do not handle broken slides with unprotected hands.

This *Optional Material* should be used only as intended with the **Pathfinder[®] Herpes Simplex Virus Types 1 and 2 DFA (Catalog# 25215)**, which must be handled by qualified personnel trained in laboratory procedures; lab workers should be aptly familiarized with their potential hazards as used in the assay. Refer to the Bio-Rad Laboratories **Pathfinder[®] Herpes Simplex Virus Types 1 and 2** kit SDS (number **SDSen25215**) and kit instructions for safe handling of this kit *Optional Material* in the assay process. Though contaminated broken slides must be handled as sharps per 29 CFR 1910.1030, OSHA Bloodborne Pathogen and other regulations, these unprocessed slides, if broken, can typically be handled as normal uncontaminated broken glass labware however, dispose of this material in accordance with local, regional, national and international regulations.

Additional information: The lists that were valid during the creation were used as basis.

This Revision: Updated, reformatted and added new GHS information.
